

PRESS RELEASE

Member Driven Technologies Named a 2018 Cool Place to Work in Michigan

Company recognized by Crain's Detroit Business for employee satisfaction, rewarding culture

August 21, 2018

Farmington Hills, MI., Aug. 21, 2018 – Member Driven Technologies (MDT), a CUSO that hosts the Episys® core platform from Symitar® to provide a private cloud alternative for core processing and IT needs, today announced that it has been acknowledged by *Crain's Detroit Business* as a Cool Places to Work in Michigan for 2018.

The rankings were determined based on the results of a confidential employee survey inquiring about companies' work environment, leadership, benefits and perks. MDT employees commonly cited flexibility, strong core values and challenging and rewarding professional opportunities and as top reasons they enjoy working at the company. This is the second consecutive year MDT has been named as a Cool Place to Work in Michigan.

Larry Nichols, president and chief executive officer of MDT, stated, "Throughout MDT's 15-year history, we've remained committed to fostering a collaborative and fulfilling work environment that supports our employees' professional development. We recognize that satisfied and challenged employees are crucial to overall company success. We are honored to once again be named a Cool Place to Work in Michigan."

MDT is proud to be based in Michigan, which is reflected in its office space. The company's office displays work from local artists and highlights the history of Detroit, demonstrating the company's support of the area's revitalization. MDT provides numerous amenities to employees, such as a relaxation room with massage chairs, a gym and a snack bar with healthy options to create additional benefits and comfort for employees.

To be eligible as a Cool Place to Work in Michigan, companies had to have at least 15 employees working at a Michigan location. MDT has approximately 140 employees across the nation, and employs 91 professionals in Michigan. For more information about the Cool Places to Work in Michigan listing, visit http://www.crainsdetroit.com/awards/cool_places_to_work/2018.

About Member Driven Technologies

MDT hosts the Episys® core platform from Symitar® to provide credit unions with a private cloud alternative for core processing and IT needs. The CUSO's service-first, hybrid approach to outsourcing enables credit unions to boost efficiencies and security and reduce costs while maintaining a high level of control. In addition to hosting the Symitar Episys platform, MDT also hosts dozens of seamlessly integrated solutions to run the entire institution, including digital banking, payments, lending, security, continuity and regulatory services. MDT serves credit unions representing more than \$22 billion in assets and approximately two million members. Visit mdtmi.com or follow @memberdriven for more information.
